Where ever you are, What ever the job.
Make it a Maruyama Brush cutter.

Curved Shaft

Light weight but robust, easy to handle for those lighter jobs

DIATOP Bump Feed Z4

DIATOP is a leading innovator in nylon heads, making the Z4 a perfect accessory for your MARUYAMA brush cutter.

Light Weight and Durable

The BC2000C is ideal for those jobs around the house, trimming long grass along the walls, and around trees and bushes. The BC2000C is extremely light weight but durable, designed to make your job quick and easy.
