Mobility, comfort, performance.
Maruyama Backpack Brush cutters are designed to make your job easier.

Heavy Duty Frame

Our well balanced backpack frame provides the operator with exceptional control and comfort

Anti-Vibrational System

Three point spring dampers for a significant reduction in vibration.

High Torque Engine

MARUYAMA NE500 is engineered with high compression ratio resulting in higher torque and power.

Reverse Start 2

The Reverse Start 2 system has incorporated the best features of an electric starter, fast and easy starters.
