Versatile, lightweight and powerful
A high quality chainsaw that does the job.

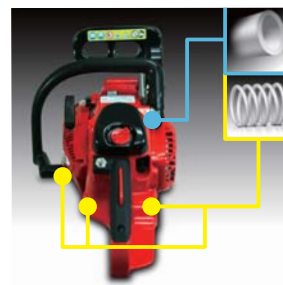

e-Just

Our Patented e-Just chain tensioning system uses a ratchet mechanism on the front handle for quick chain tightening.

Reverse Start 2

Reverse Start 2 system incorporates the best features of an electric starter for fast and easy starts.

Hybrid Anti-Vibration System

Anti-vibration spring and rubber dampers ensures a smoother cut each and every time.

Pre-Vent System

Debris and saw dust are dispersed leaving only clean air running through the carburetor.
