Maruyama Manufacturing
Co., Ltd.

Four consecutive years of certification as a "Health Management Excellence Corporation (Large-Scale Corporation Category)"

Maruyama Manufacturing Co., Ltd. (Headquarters: Chiyoda-ku, Tokyo; President and CEO: Tsuyoshi Uchiyama) and its group companies, Nippon Kreis Co., Ltd., Maruyama Excel Co., Ltd., Seibu Maruyama Co., Ltd., and Maruyama Logistics Co., Ltd., have been certified as "Health Management Excellence Companies (Large-Scale Company Category)" for four consecutive years under the "Health Management Excellence Company Certification System" administered by the Ministry of Economy, Trade and Industry and the Japan Health Conference.

Our group has been working together with all employees to contribute to society by addressing issues in the areas of food, water, and the environment through our business activities. We practice our brand statement, "100 -All for the future-", and believe that it is essential for our employees and their families to be healthy and feel a sense of fulfillment in their work in order to create a better society. We will continue to strive to create a workplace where employees can work with peace of mind and vitality for the long term, contributing to the health of our employees, the company, and society as a whole.

■What is the Health Management Excellence Certification System?

This is a program that recognizes large and small companies that have implemented particularly outstanding health management practices based on initiatives aligned with regional health challenges and the health promotion efforts promoted by the Japan Health Conference.
